All,

The Record Center has completed the PII Search on a collection of documents and would like to continue the PII Review Process. Stephanie, please let us know when the review is complete and the collection folder is ready for the Records Center. There are two Search Terms Results pages that each cover half the collection.

To review the redactions: Open the SC 34340 Open the PII Search Term Results, review the redactions that have been made, and coordinate on any changes to be made. Please ask Jennifer MacDonald if you have any questions or need help.

I have also placed 2 additional documents for your review in the folder.
